## WELCOME ADDRESS

Dear Professors and Colleagues,

It is our great pleasure to welcome you to the 3rd Symposium: Hellenic- Turkish Neonatal Days on Kos Island on the 14th of September 2013.

This is the 3rd Symposium in a series of events that started as a result of the friendly cooperation between the Hellenic and the Turkish Neonatal Societies.  The aim of this fruitful collaboration is to offer all participants in the Symposium the opportunity to exchange views regarding neonatal strategies and practices in the two neighbouring countries.

I hope you will enjoy and actively participate in the scientific program of the Symposium as well as the social events that accompany it.

Best Wishes                                              Best Wishes
